GSR INSTITUTE OF CRANIOFACIAL SURGERY (GSRICFS)

The GSRICFS is a 50 bed hospital that exclusively caters to patients with cleft and craniofacial defects from around a 1,000 kilometer radius of Hyderabad, India.

The Hospital does free treatment for 1,400 patients with cleft and craniofacial defects every year. The Hospital has performed more than 20,000 free surgeries with financial help from Smile Train, a charitable organization from USA and Cleft Children International, a charitable organization from Zurich, Switzerland.

The GSRICFS runs a fellowship program to train Oral and Maxillofacial Surgeons in the field of cleft and craniofacial surgery. The Institute has trained more than 50 fellows since 2002. The Institute is also recognized by 6 Universities in India as a training institute for Post Graduate students in the field of cleft and craniofacial surgery as part of the Post Graduate training curriculum.

The Institute is involved in a robust research program. The Institute in collaboration with University Medical Center, Radboud University has sponsored PhD programs on topics like Cleft Lip, Cleft Palate and Medicine 2.0.

The parent body of the GSRICFS, the Hyderabad Cleft Society, runs a school for 60 underprivileged and orphaned children born with cleft and craniofacial defects. The school takes care of these children by providing them with tuition fees at a local school, free halls of residence and food.
